MINSI TRAILS COUNCIL - BOY SCOUTS OF AMERICA

Located in the heart of the Pocono Mountains, Camp Minsi has been serving Scouts for more than 65 years. The premier summer camp encompasses more than 1,200 acres of pristine Pennsylvanian woodlands along the shores of the 314-acre Stillwater Lake. Owned and operated by Minsi Trails Council, Camp Minsi is a BSA Nationally Accredited summer camp that provides unique and exciting programs for Scouts and Scouters of all ages.

Summer camp is the pinnacle of Scouting's outdoor program. Each summer is filled with new programs and activities designed to peak the interests of every camper – including a top-notch first-year camper program to help Scouts on the trail to First Class and exciting high adventure opportunities for older Scouts and Venturers.

Camp Minsi features a centrally located spacious dining hall that serves three delicious family-style meals each day. Within a short walk from the dining hall are ten troop campsites with capacities ranging from 20 to 90 campers each.

Staff members are experienced counselors overseen by BSA National Camp School certified directors. The enthusiastic and distinguished camp staff is fully trained and dedicated to making every Scout's stay at camp the absolute best.
