

CAMP MINSI'S SECOND ANNUAL VOYAGER WEEKEND

April 21-23, 2017

SERVICE ✿ ADVENTURE ✿ FELLOWSHIP

Calling all Venturing Crews and older-Scout patrols! Camp Minsi's Voyager Weekend is an exciting opportunity for Venturing Crews (and Venturing-aged Boy Scout patrols) to participate in service, adventure and outdoor fellowship at Camp Minsi.

On Saturday, crews will spend their morning giving back to Scouting with a variety of fun service projects throughout camp (including such projects as trail maintenance and landscaping, setting up campsite canvas and cots, painting, and general camp-wide spring clean-up.)

Crews will then spend their afternoon and evening sharing in some awesome outdoor adventures and fellowship events at Camp Minsi -- including open boating on Stillwater Lake (including paddling as a crew in our massive war canoe); participating in unique hands-on shooting sports activities at all three of our shooting ranges; climbing our 30- foot spar-pole; lumberjacking and tomahawk throwing; Dutch oven cooking; backcountry hikes; and much more.

Crews will stay in the two-person canvas wall-tents (with cots) in Camp Minsi's campsites. All meals on Saturday will be provided, and shower facilities will also be available.

Register your Venturing crew or older-Scout patrol for the 2017 Voyager Weekend online at www.campminsi.org.
