

VENTURING, BSA

Voyager Weekend at Camp Minsi

April 15-17, 2016

Calling all Venturing Crews! Camp Minsi's Voyager Weekend is an exciting opportunity for Venturing Crews to participate in service, fellowship and adventure at Camp Minsi.

Crews will be able to stay in the 2-person canvas wall-tents of Camp Minsi's campsites. All meals on Saturday will be provided, and shower facilities will also be available.

On Saturday, Crews will spend their morning giving back to Scouting with a variety of fun service projects. Venturers will then spend their afternoon and evening sharing in some awesome outdoor adventures on the waters and along the shores of Stillwater Lake.

Crews are asked to help lend a hand as the camp staff prepares the campsites for the busy summer camp season. Service projects include: trail maintenance and landscaping, setting up campsite canvas and cots, painting, and general camp-wide spring clean-up.

Crew will then be able to participate in some great outdoor events including: canoeing on Stillwater Lake in our massive war canoe, participating in unique hands-on shooting sports activities at our shooting ranges, climbing our 30-foot spar-pole, experiencing the Minsi Village, throwing tomahawks, lumberjacking games, taking part in some extreme ScoutCraft activities, and much more.

Register your crew for the 2016 Venturing Outpost weekend online at www.campminsi.org.

Deadline to register: March 1, 2016
