**Prepare for Adventure**

| Who can participate? | The program is open to registered Scout or Venturer (both boys and girls). Participants must be at least 14-years-old (or 13-years-old and have completed the 8th grade). Participants must be able to pass the BSA Swimmer’s Test in order to participate in water activities, including whitewater rafting. |
| What kind of leadership do we need? | Scouts can come on their own (or with a buddy) or you can register as a patrol or crew. Our program staff provides adult staff members, supervision and guidance for all Pocono Summit Adventure Camp groups during each activity; however, if you are coming as a unit we encourage adults to come and participate too (why should the kids have all the fun?). |
| How do we get to all the activities? | The Pocono Summit Adventure Camp staff coordinates and provides transportation to and from the basecamp at Camp Minsi for all of the off-site activities in either buses or vans. |
| Where will we stay? | Participants will be staying in our summer camp campsites. Each site is equipped with standard BSA canvas tents on raised wooden platforms. Tents hold two cots. Each site also includes a comfort station with private latrine facilities and running water. |
| What will we eat? | Breakfast and dinner will be served in the Camp Minsi Dining Hall each day. A special trail lunch will be provided while out on the daily adventures. Camp Minsi has an experienced kitchen staff that provides Scouts and Scouteres with three delicious and healthy meals every day. |
| What kind of special gear do I need? | Check the recommended packing list on Page 3 of this guide for a list of suggested personal gear for the week. Good footwear and a water bottle are a must. A small daypack or backpack will be helpful for carrying gear to and from the adventures. |
| Are there additional costs for any of the activities? | No, all of the program expenses are built-in to the camp fees for this specialty camp. However participants may want to bring some extra spending money for souvenirs and treats at the camp trading post throughout the week. |
| Do Scouts earn merit badges as part of this program? | This high adventure program is designed for the exhilaration of older Scouts and Venturers. Some merit badge requirements and Venturing award requirements might be achieved through some of the activities during the week, however, unlike traditional summer camp, the focus of the program is not advancement-driven. |
