**MINSI MASH-UP !**

Any Scout registered with the Sea Scout Academy can mix and match the daily program by selecting activities from **STEM Camp** and/or **Adventure Camp** which runs concurrently with Sea Scout Academy. This may be especially active to Sea Scouts who are also registered in a Scouts BSA Troop or Sea Scouts who are well along in advancement and don't need a full dose of Sea Scout requirements.

		Monday August 2nd	Tuesday August 3rd	Wednesday August 4th
STEM CAMP	select one merit badge or one pair of merit badges:	Mining in Society Horsemanship Aviation Metalwork Rifle Shooting	Automotive Maintenance & Farm Mechanics Dentistry & Medicine Truck Transportation & Traffic Safety Fishing & Fly Fishing Astronomy & Space Exploration	Welding Chemistry Railroading Plant Science Shotgun Shooting
ADVENTURE CAMP		MOUNTAIN ADVENTURES Treetop Adventured Zip-Lining Hoseback Riding		

**REGISTRATION NOTE**

Be sure to register each Scout by name along with their session choices as part of the pre-camp registration process in the DoubleKnot system. This will help Sea Scout Academy determine attendance at each session and assign the session to a venue conducive to CDC COVID distancing guidelines.
